

Annex K: Public Infrastructure Department & Engineering Executive Summary

Primary	Public Infrastructure
Support	County Judge's Office
Coordination	Office of Emergency Management

The purpose of this annex is to outline the local organization, operational concepts, responsibilities, and procedures to accomplish coordinated Public Infrastructure Department (PID) and engineering activities during emergency situations

CONCEPT OF OPERATIONS

The Executive Director of Public Infrastructure shall appoint a Public Infrastructure Department Officer during emergencies. The Public Infrastructure Department Officer is assigned primary responsibility for planning, organizing, and carrying out, with the support of those departments and agencies described below, the Public Infrastructure Department and engineering tasks outlined in this annex during emergencies.

- The Precinct Road & Bridge Department
- Harris County Engineering Division, Permit Group
- Central Technology Department
- Individual Precinct Parks and Recreation Department
