

Annex S: Transportation

Executive Summary

Primary	Management Services
Support	County Judge's Office, Public Health & Environmental Services, Medical Examiner's Office, Public Infrastructure
Coordination	Office of Emergency Management

This annex outlines our concept of operations and organizational arrangements for transportation of people, supplies, and materials during emergency situations, assigns responsibilities for various transportation tasks, and outlines related administrative requirements.

CONCEPT OF OPERATIONS

When carrying out emergency transportation activities, immediate needs must be considered first, followed by continuing requirements. Immediate transportation needs normally involve the evacuation of people, including residents of special facilities, from risk areas. Continuing transportation needs typically involve the movement of relief supplies, equipment, and emergency workers during response and recovery operations.

The Office of Fleet Services Director shall serve as Transportation Officer and coordinate emergency transportation operations. Some other departments and entities that have a role under the Transportation Annex include:

- Law Enforcement Agencies
- School Districts
- METRO
- Departments and Agencies having transportation assets will:
